Alone in a Hard World

“You are my friends...”
“ὁμῆις φίλοι μου ἔστε...”

Jesus (John 15:14)

In this broken world, BILLIONS of people do not know the friendship and purpose Jesus offers. They live in isolation, fear and depression...often under the burden of oppressive ideologies.*

Hurting people rarely resist the person of Jesus. When given the chance, they are drawn to the One that names, knows, sees and loves them. It has been 2000 years since Jesus called us to make followers of all nations. Along with a growing number of others, we believe it is possible to give everyone the chance to follow Jesus by 2033.

Fractured Lives

3 threats face a new generation who don't have access to the Gospel.

Our world is...

SATURATED BY VISUAL MEDIA

- People spend 5-12 hours per day consuming media.
- People encounter hundreds of secular messages every day.

DRIVEN BY ENTERTAINMENT

- The gospel is unknown, or perceived as outdated or irrelevant.

TRANSFORMED BY TECHNOLOGY

- People spend increasing amounts of time in digital worlds apart from meaningful relationships and become isolated, depressed and sometimes radicalized. This got much worse as a result of the COVID pandemic.

VSN Solutions

Visual Story Network accelerates the mission of the Church by equipping our generation to use media, story and innovation to make disciples and advance religious freedom in least-reached nations. We do this as we...

Train Leaders...

so Christ-centered visual media is available to every person.

Unleash the power of global partnerships ...

because the toughest places are only going to be reached as God's people work together.

Produce media and equipping resources ...

to reach people in their digital world with the right message at the right time leading to right relationships. This will help them grow in Christ and become followers who lead others to Jesus.

Equip Our Generation

to use media, story and innovation to make disciples and advance religious freedom in least-reached nations.

Train Leaders

VSN has trained **13,300 leaders from 610 organizations** to multiply their impact through the use of media, story and technology.

Build Global Partnerships

VSN has created **6 worldwide partnerships** between like-minded ministries that have resulted in 100 gospel media initiatives.

Produce Media & Equipping Resources

VSN has co-produced **210 films and 53 'best-practices' media training resources** being used by organizations and leaders worldwide.

Train Leaders

Empower Women Media provided training and one-on-one mentoring until my film was completed. **I was so surprised when my film** received the Grand Prize in the religious freedom film competition!

Visual Story Network's training completely transformed my idea of using media in missions. It was a huge catalyst for the work we're doing now among unreached people.

Newest World Changing Partnerships

Media to Movements. In October 2018 we began to gather the top 12 global leaders from six organizations involved in training others to use social media to lead to disciple-making movements. A disciple-making movement occurs when there is rapid multiplication of new believers in a given area. Using social media to ignite these movements is a new move of God's Spirit. ***Since we began the partnership three years ago, the number of known "Media to Movement" efforts has expanded from 25 to 250***

Empower Women Media. We began this partnership in 2017 to train women to use media to accelerate their mission. In 2018, God opened up doors to become the leading global partnership and training women to be religious freedom advocates. Religious freedom research has that shown that 80% of the world has lost religious freedom in the last 10 years (including in Europe and North America). This greatly limits the environment where Christians are free to assemble, worship and share the Gospel. ***This partnership has trained 920 women to use media as religious freedom advocates in the most restrictive parts of the world.***

Produce Media & Equipping Resources

"I know of no one other than VSN who is specifically committed to encouraging and actively supporting the growing the full range of small new media – short video, smart phone, social media, etc. Understanding these media and being able to effectively integrate them is critical for any Kingdom strategy."

Introducing People to Jesus

Shohrat's Story Told Throughout Central Asia

As a boy, Shohrat was terrified of the Sirat Bridge, the bridge that Islam teaches must be crossed to reach paradise. It is as thin as a razor and suspended over the fires of hell. Within three years of the fall of communism, his brother-in-law came to Christ and had Shohrat watch the JESUS Film. Through the film, Shohrat understood Jesus was the bridge to paradise. He began to share his newfound faith and planted churches in his village as well as in others. He is one of the fathers of the modern Turkmen church.

"From Darkness to Light" (Tümlükden Nura) is a 13-minute film that tells his story. It is the first-ever evangelistic film featuring Turkmen people. *The film is translated into five languages and is being broadcast into Central Asia via satellite as well distributed through social media, mobile phones, a dedicated app.* Turkmenistan, in Central Asia, is one of the most repressive countries in the world with only 1,500 known Christians.
